As artists and visually driven people, our design team is constantly drawing inspiration from the world around us. We curate elements and ideas that are trending and use those as inspiration for a monthly collection of custom patterns.

TARKETT HOSPITALITY

# ZENTANGULAR

Curated by Sayward Smith

The zentangle method helps artists expand their creative process, by creating patterns composed of other smaller ones. Spontaneous and free, these small drawings allow the mind to go into a meditative state. We hope this trend collection will inspire others to see the small details that make up a bigger picture

“Anything is possible, one stroke at a time... a complicated tangle becomes achievable by being broken down into simple, repetitive strokes.”

— Beckah Krahula
